Self-Motivated | Organized

Meeting Deadlines

MD. ARAFAT MIAH

Android Developer | Digital Marketing Specialist

Motivated Computer Science student with hands-on experience building Android applications using XML, Java, Firebase, and REST APIs. Complemented by strong digital marketing and brand activation experience across FMCG and EdTech sectors.

PROJECTS

Sotik Dor – Price Comparison App

2026– Present

Android **Java** **XML** **Firebase** **REST API**

- Developed a real-time product price comparison Android app to help users find the best deals across vendors.
- Implemented Firebase Realtime Database for live price syncing and user data management.
- Integrated REST APIs to fetch and display up-to-date product listings with dynamic search and filter features.
- Designed intuitive UI using XML layouts following Material Design guidelines.

AuraWall – Wallpaper App

2026 – Present

Android **Java** **XML** **REST API** **Picasso**

- Built a high-quality HD wallpaper Android app with category-based browsing and one-tap set functionality.
- Consumed Pexels/Unsplash REST API for infinite curated wallpaper content across diverse categories.
- Used Picasso library for efficient image loading, caching, and smooth scrolling performance.
- Implemented set-as home/lock screen and offline favorites using local storage.

WORK EXPERIENCE

Campaign Activation Executive

Mar 2024 – Jan 2025

10 Minute School & BIBM

- Planned and executed online and offline awareness, activation, and conversion campaigns.
- Coordinated logistics and human resources with internal and external stakeholders.
- Achieved measurable growth in student enrollment and brand reach for both EdTech brands.

Graphic Designer – Social Media

Jan 2021 – Dec 2023

Freelance (Facebook & Fiverr)

- Designed banners, carousel ads, and sponsored posts for Facebook business pages.
- Delivered CMS-based websites via Fiverr with consistent 5-star client satisfaction.
- Managed client communication from brief to final delivery with on-time results.

Cluster Market Ambassador

Jan 2021 – Apr 2021

Unilever Bangladesh

- Drove sales growth and brand visibility across assigned market clusters in FMCG environment.
- Analyzed market trends and coordinated field teams to meet organizational KPIs.

CERTIFICATIONS & ACHIEVEMENTS

- Computer Government Certificate – General computer proficiency
- Fiverr Seller Profile – Website development using CMS (2021–2022)
- BSc CSE – Green University of Bangladesh (Expected 2026)

DECLARATION

I hereby declare that all details and information provided above are complete and true to the best of my knowledge. I will perform the defined responsibilities with full honesty and dedication if given the opportunity.
